WHAT DID OVER \$500,000 OF YOUR TAX DOLLARS BUY YOU?

Read the response to the Daily Courier's spin on the Morgan ad in this edition of the Sneak Preview

At the end of the term, \$500k will have been paid for one County Commissioner who:

- uses approximately 70% of the ENTIRE TRAVEL BUDGET for the office of the commissioners;
- is Absent, Late or Unavailable more than 50% of the time to all meetings of the Commissioners;
- has recently filed for PERSONAL BANKRUPTCY while making \$500,000 in salary & benefits during their commissioner term;
- exercised POOR JUDGMENT filing a Gender Bias Complaint which the state investigated by interviewing 31 county employees and department heads, costing over \$5,000 dollars. The complaint was found to be baseless & COMPLETELY FALSE.

WHO IS IT, YOU ASK?

JOSEPHINE COUNTY COMMISSIONER

LILY MORGAN

Even more of YOUR Property Tax Money was wasted on or by this same commissioner on:

- frivolous trips to an LA Dodgers Game, Colorado Rockies Game & missing a flight out of Medford which had to be rescheduled equaling TAX DOLLARS WASTED;
- non-verbal communications training, reportedly directed at this commissioner, costing more than \$8,000 of your TAX DOLLARS;
- hired a PERSONAL FRIEND from a previous job to work as the "office manager" at \$122,100/year, including benefits;
- this same "office manager" cost the county untold TAX DOLLARS after HANDING-OVER 35 pages of the county's bank account and credit card numbers and other PRIVATE INFORMATION in a basic Freedom of Information Act (FOIA) request, forcing the county to cancel accounts - the commissioner reportedly still supports the employment of this friend.
